www.ArtisanBarn.org

Open for the holiday season with restrictions. Call for more information.

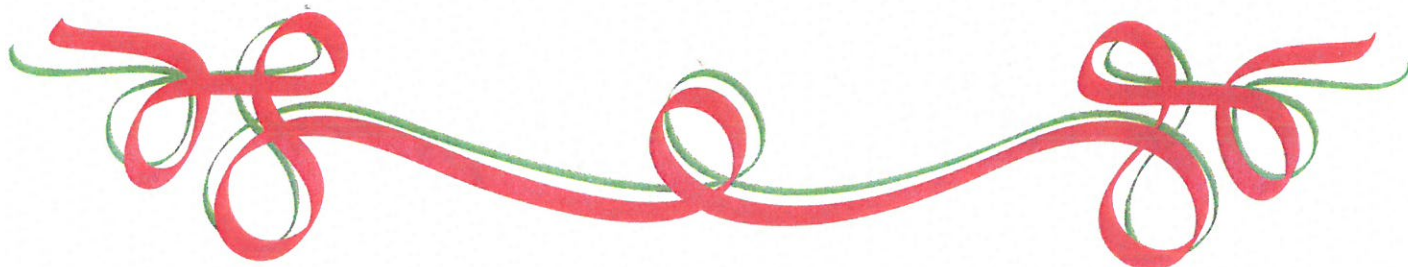

(509) 229-3414

Meals and PIE can be had at JACOBS along with some good coffee. Call for hours and restrictions.

Remember to shop local when you can.

From the Mayor

As 2020 comes to an end and we reflect on all that has happened this year I think we can be grateful for what we do have. It has been rough year for both business and residents. Everyone has had to be dedicated in order to move forward. Continuing to look forward, I see growth coming to town with three business properties sold during the last few of months. We have new signs at each end of town and this year the town will start a much needed infrastructure update of waterlines. It is rewarding to see growth coming to our town and I am excited to see what comes with this growth in new business. I wish all of you a safe and Merry Christmas and New Year. *David Jacobs, Mayor*

A new way is coming to pay your Utility bills!

Do you every think about how nice it would be to have your Utility Bill paid automatically every month? We are pleased to be able to offer, at no charge, an electronic payment service that ensures your payment is always on time and posted correctly. All we need from you is a voided check and a signed release and we can set you up! The payments will be pulled from your bank account on the 25th each month and automatically be posted to your utility account. If you needed to stop a payment that can be done easily by notifying the Town Clerk, Ann-Marie.

This service will be available for the January billing cycle. Please let Ann-Marie know if you are interested.

As we may be seeing snow in the near future, it is of great help if you can park your car as far off the street as possible this makes plowing much easier.
