

Uniontown Regional Holiday Lighting Challenge 2020

This year, UCDA sponsored the Second Annual Uniontown Regional Holiday Lighting Challenge and received 19 entries (1 business and 18 residential) plus enough donations to give each entrant a prize. The First Place Business and the First, Second and Third Place Residential entry photos are listed below. Local businesses donated prizes and well as other local and not-so-local people who donated cash to purchase more prizes and cover expenses (stamps, envelopes, etc.). Entries and prizes received are listed below and will be listed on the Uniontown website: <https://uniontownwa.org/2020/11/13/second-annual-holiday-lighting-challenge/>

This event began in December 2019 when the Uniontown Community Development Association (UCDA - <https://uniontownwa.org/community-development/>) challenged all residents and property owners in and around Uniontown, Colton and Johnson to show off their “Holiday Spirit” and decorate their properties. This was the beginning of the First Annual “Uniontown Regional Holiday Lighting Challenge”. While we got off to a late start in 2019, we did get 2 business entries and 6 residential entries, and more than that in donated prizes.

People in the community really outdid themselves. Driving around the area at night and viewing these beautiful displays really brought joy to all of us. Many thanks to all the helped make this project a success (the donors and the entrants), and a special thanks to Ashley Alred for originating the event..
