If you have a community event you would like to put in the newsletter contact
Town Hall @509-229-3805 or uniontowntownhall@gmail.com

FIREWORKS NOTICE!

Whitman County Fire District 14 has issue a BAN on all fireworks in this area.

IMPORTANT NOTICE

Effective July 31st, 2021 protections for the shut off of utility services for late payments will expire. It is very important to be in touch with the Town Clerk if you need more time to bring your account current. If you are past due because of Covid-19 the town does have a payment agreement that can spread out the past due amount over 12 months to avoid shut-off notices. If you are waiting for funds from Community Action please let the clerk know.

As a Reminder the Town Dump is for Natural Vegetation Only. We are still having people dump garbage and other materials that have to be sorted out and disposed of correctly at the towns expense. If we continue to have issues like this we will start locking the gate due to the misuse of the dump. The town dump takes natural vegetation such as leaves, grass clippings, tree branches (No larger then 2 inch diameter). Thank You.

Remember that during the summer months it is important to conserve water. The optimal watering time for the lawn or garden, is early morning before the temperatures begin to rise, winds are lower and there is less evaporation.

NOTE!!! COVID-19 Mask requirements for Public Meetings

The new guidance allows fully vaccinated people to attend an in-person public meeting without wearing a face covering or social distancing. However, people who are not fully vaccinated must comply with face covering requirements in public spaces after June 30.

Next Council Meeting July 7th @ 6:30pm

The meeting will be open to the public and will be held in the Council Chambers in addition to being on Zoom.

Unvaccinated persons MUST wear a mask.
